

Angolul:

Dear Guest,

We are pleased that you are spending your summer holiday with us!

The mobile home is located next to the shop, with the number 26. It is marked in yellow on the map.

We have done a lot to make you feel at home, so please pay attention to the following:
Holiday guests are required to check in at the reception (port) and hand in their travel documents, which will be used for the official registration. The tourist tax, which is 2 € for adults and 1.2 € for children under 12, must be paid at check-in. You will also need to pay the 100 € deposit and the final cleaning fee of 50 € at the same time. These must be paid in cash! The deposit will be refunded at check-out if no damage has occurred.

The mobile home can be occupied from 4:00 PM.

On the camping site, vehicles may only move between 7:00 AM and 10:00 PM. The gate will be closed from 10:00 PM to 7:00 AM, and only pedestrians will be allowed to enter or exit during this time for the peace of the guests. Parking is available next to the house and in the parking lot in front of the gate.

Please use the mobile home and its equipment properly.

The price does not include towels, dish towels, and bed linen (sheets, pillowcases, and duvet covers), toilet paper, and cleaning products. Please bring these with you, or you can buy them at the camping shop! Cleaning tools and bedding (pillows, blankets) are provided and can be found in the mobile home.

Parents, companions, or group leaders are responsible for children. Please ensure that children are continuously supervised!

The playground can be used at your own risk.

At the beach, sunbeds and umbrellas are available for rent for an additional fee, or they can be purchased in the camping shop.

It is forbidden to leave electrical devices and air conditioning on when you leave the mobile home as this is a fire hazard!

We have installed electric mosquito repellent in the mobile home and on the terrace, and there are mosquito nets on the windows.

Smoking is NOT ALLOWED in the mobile home! (Fire department will be notified)
The mobile home is equipped with a smoke detector, and in case of an alarm, the deposit will be locked.

Smoking is only allowed on the terrace, and cigarette butts should go into the ashtray!
Only toilet paper should be used, and do not throw other items in the toilet! (bones, newspapers, food scraps, tampons...)

Electric car charging is only allowed at designated charging stations, charging from the house's network is prohibited, and a fine of 1000 € will be charged if detected!

Please avoid loud noises and disturbances, and respect the peace of the camping residents!
The kitchen has a gas-powered stove and water heater. If the gas bottle needs to be replaced (which can happen just like at home), simply inform the reception with the mobile home number, and they will replace it. This will not incur any extra cost for you!

On the day of departure, the mobile home must be returned clean, with emptied trash cans, all utensils washed and returned to the cupboards, and the fridge cleaned and emptied by 10:00 AM at the latest. Otherwise, an additional charge will be deducted from your deposit.
The value of missing or damaged items and the failure to clean will be deducted from your deposit. Please return the refrigerators empty and clean. Think of the next guest. No one likes to find a dirty fridge upon arrival!

The final cleaning includes disinfecting surfaces and a disinfectant mop, which has been mandatory since Covid. It is not our staff's responsibility to do your dishes or empty your trash.
Do not take any furniture or kitchen items home as others will need them during their holiday (pillows, blankets, kitchen tools).

If any equipment breaks or something is damaged, please notify us so that we can replace the missing item. If this is not reported and there are shortages, you will have to pay for the damage caused.

Deliberate damage or theft of furniture or appliances will always result in on-site compensation or a police report.

Free WIFI is available at the beach and near the restaurant.

You can reach us at +43 664 1869782 (Hungarian, German and English language) from 9:00 AM to 9:00 PM, except on the specified days off.

The swimming pool can only be used with a swim cap, and usage will be monitored. If you do not bring one, you can purchase it at the camping shop.

We kindly ask that you follow the above rules for the peaceful holiday of all guests!

We wish you an enjoyable stay!
